Visitor Boat Parking

Regrettably Dittisham Sailing Club is unable to offer temporary storage for visitors' boats as the club's boat park is not only completely full but also has a waiting list for spaces from people who have taken out full membership of the club. Visitors are, however, for no charge, still welcome to use the hard that runs from in front of the club house down to low water and would also be very welcome to enter Sunday races.

It may be worth pointing out that the shingle bank at the Ham car park end of the club's boat park does not belong to the club and people do leave their boats in that area. They do so, however, entirely at their own risk as it is somewhat of a no-man's-land and there would be no comeback should problems arise: caution also needs to be exercised if very high tides are expected. The safe alternative would be to contact Blackness Marine at East Cornworthy (tel. 01803 722654 or online at www.blacknessmarine.co.uk).
